Our nation faces an uncertain energy future. Shifting policies, partisan politics, limited supplies and a lack of innovation all foreshadow dysfunction in the world's oldest democracy. Join us at our February MIT Flagship Event as we discuss the energy situation in the US today and the challenges ahead.

Presenting MIT Flagship Speaker

John Hofmeister

Founder and CEO, Citizens for Affordable Energy

Former President, Shell Oil Company

John Hofmeister is the author of *Why We Hate the Oil Companies: Straight Talk from an Energy Insider* (Palgrave Macmillan, 2010)
