Red Robin Gourmet Burgers is scheduled to open Dec. 14 at 23318 Mercantile Parkway in Katy.

The 5,500-square-foot restaurant is expected to bring more than 100 jobs to the area.

For information regarding employment, visit the new location and inquire within.

"We're looking for team members who can offer great service in a kid and family friendly restaurant," said Terri Suhr, general manager of the Katy Red Robin restaurant.

Cowboy Red, L.C. is a privately-held franchise of Robin Gourmet Burgers Inc. The franchise was founded in 1999 by Robert Reynolds. The company owns and operates seven Red Robin restaurants in Texas, including four in the Houston area.

Lance LaCour, president and chief executive officer of the Katy Area Economic Development Council, said Thursday he had just heard of the restaurant coming to Katy.
