Pointsmith, a major point of sale marketing company that employs 100 people, is moving its headquarters and manufacturing to the Katy Area. Pointsmith has purchased 10 acres in the Primewest Business Park where Academy is located and plans to double its size and build a 241,000 sf building. The EDC has worked on the project since winter of 2008. Currently, the EDC has helped identify incentive and assistance programs for the Company that it may pursue.
