

RESOLUTION

WHEREAS, The Board of Governors of the Katy Area Economic Development Council believes educational infrastructure is vital and important to the economic development, quality growth, and quality of life of the Katy Area; and

WHEREAS, the trustees of the Katy Independent School District are calling for a bond referendum on May 1, 2021 to improve education infrastructure and address the rapid growth of the School District; and

WHEREAS, the total bond issue may include four propositions totaling \$676,226,420.00 for Propositions A, B, C and D and includes funding for: A) new and existing facilities, safety and security improvements and component replacement; B) technology plan; C) high school natatorium; and D) re-roofing & waterproofing, track surface replacement, field lighting replacement, and gym bleacher replacement.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Governors of the Katy Area Economic Development Council finds it important and in the best interest in the Katy Area and hereby endorses and supports all four propositions of the KISD referendum in the total amount of \$676,226,420.00.

ADOPTED AND APPROVED this.

Rick Lawler, Chairman
